Re: Letter of Authorization # 005: IntelliDrive Application Development for SunGuide software
Traffic Engineering and Operations Office
Florida Department of Transportation
Contract # BDQ69
DMS Class/Group No.991-155

Dear Dr. Heller:

This letter will confirm my request to your firm for SunGuide software enhancement to transmit SunGuide generated traveler information to demonstration vehicles, to receive and utilize the IntelliDrive Basic Safety Message (BSM) and provide SunGuide operator functions to view and utilize the Probe Vehicle Data Message (PVDM) received from demonstration vehicles.

The task shall begin immediately and will continue until finished or until terminated by the Traffic Engineering and Operations Office.

Services will be carried out under the terms and conditions of Contract No. BDQ69. Services provided under this authorization will not exceed \$483,655 and will meet the schedule included with this LOA.

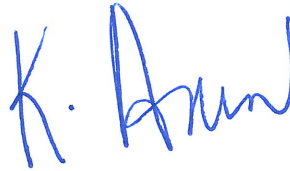

A copy of this authorization must accompany your invoices for service, and the contract number should be noted on all your invoices. Please send invoices to the following address for payment:

Arun Krishnamurthy
Florida Department of Transportation
605 Suwannee Street, MS 36
Tallahassee, FL, 32399-0450

Any questions regarding this request should also be directed to me at 850-410-5615.

We look forward to working with you and your staff.

Sincerely,

A handwritten signature in blue ink, appearing to read "K. Arun". The signature is stylized with a large "K" and a cursive "Arun".
