SUPPLEMENT TO LETTER OF AUTHORIZATION (LOA)

March 8, 2011

Dr. Robert W. Heller,
Southwest Research Institute
6220 Culebra Road,
San Antonio, TX, 78238

Re: Supplement to Letter of Authorization # 003: Inrix Data Enhancement, Orlando-Orange County Expressway Authority (OOCEA) and Pensacola SunGuide deployments.
Traffic Engineering and Operations Office
Florida Department of Transportation
Contract # BDQ69
DMS Class/Group No.991-155

Dear Dr. Heller:

This letter confirms that the due date for the INRIX data enhancement is relaxed. In the LOA, we had requested the task be completed no later than November, 19th, 2010. Due to some unforeseen activities in this task, the due-date is relaxed and no updated due-date is provided. You will coordinate with me to identify the timeframe for the various activities within this task.

A copy of this authorization must accompany your invoices for service, and the contract number should be noted on all your invoices. Please send invoices to the following address for payment:
